## **Organization Overview**

Rural Organization for Social Advancement called "*ROSA*" Sansthan. It is a civil society organization of Uttar Pradesh, India, which is working in eastern Uttar Pradesh. The main target of the organization is Dalit (most are the people of every caste and religion who are most neglected in the society), backward and minor communities who is divided in different classes and castes. They are struggling on their level for livelihood but due to current socio and political circumstances, their whole development is not progressive as per basic need. Main objective of the organization is promoting to national integration for society full of justice & equity through rural organization and such work that community could be help by them. Its came into existence in 2003, this organization got registered under the Society Registration Act 21 of 1860, having the registration No 410 dated 21.7.2003 & Registered under Income Tax Act - 12A, No. 118/2007-08/298, dated 30-11-2007.

## **PROFILE**

“ROSA” was established by a group of Gandhian ideology social worker, this group observed that people working a brick field (kiln) with women and children work very hard but they live in a very unsafe house & their children did not have the basic rights of theirs. they work in unfavourable working condition keeping their lives in danger still they have always fear in mind the danger of livelihood. Their families are far away from the better education & health and social securities. Due to these reasons, unorganised labours of the society are victims of different types of exploitation.

- **Nature:** - A non- political organization under the power of Indian constitution.
- **Vision:** -To establishment of society full of justice and equity for social advancement.
- **Mission:** - To provide service to the people for entire social advancement, so that they can ensure their well-being.

### **Org. Objectives: -**

- To build self-dependent society & nation.
- To implement program related to education, health, people organization, income generation & agriculture for the integrated development of the nation.
- To help of women, children, old person, helpless, schedule caste, schedule tribe, backwards & minorities of the society.
- To create network with the society with equal objectives & promote the voluntarisms.
- To establish the centers for the implementation of the programs, research, documentation, free publication & training for betterment of the society.
- To enter change and help, for required resources with local people, government, non-government, national & international society for achieving the objectives of the society having the similar objectives.
- **Believes:** - Entire development of society for the happy nation and this is possible only when every member of society will be happy.
- **Our Principals:** - We compliance with democratic process and respect each other without and differentiation on the basis of religion, caste and have equal opportunity for all at every level without any gender bias. We believe that “To help the people to help themselves”

- **Our Values:** - To respect each other at every level of the society. Feeling of equality, availabilities of equal opportunities, transparency in development works, dedication towards self-discipline and responsibility.
- Our core issue: - Health & nutrition, promotion of quality education, community-based livelihood promotion, sustainable livelihood, bonded labour, child labour and human trafficking.
- **Our target group:** - Children, adolescent girls, women and farmer from deprived society.
- **Working strategy:** - To strengthen the collective decision and collective initiation through the way of nonviolence in democratic process at every level.
